Thomson Reuters Intellectual Property & Science

Investor Day – May 29, 2013

Chris Kibarian
President, Intellectual Property & Science

Special Note

Safe Harbor / Forward-Looking Statements

- The following discussion contains forward-looking statements, including those about Thomson Reuters outlook and prospects. Forward-looking statements are those which are not historical facts. These and other statements that relate to future results and events are based on Thomson Reuters current expectations.
- Our actual results in future periods may differ materially from those currently expected because of a
 number of risks and uncertainties. The risks and uncertainties that we believe are material are outlined
 in our disclosure filings and materials, which you can find on www.thomsonreuters.com. Please
 consult these documents for a more complete understanding of these risks and uncertainties. We
 disclaim any intention or obligation to update or revise any forward-looking statements, whether as a
 result of new information, future events or otherwise, except as may be required by law. Our outlook is
 provided for the purpose of providing information about current expectations for 2013. This information
 may not be appropriate for other purposes.
- The trademarks and brands included in this deck are the trademarks of the respective owners.

Non-IFRS Financial Measures

- This presentation contains disclosures of certain non-IFRS financial measures. These measures include revenues from ongoing businesses.
- Please see the "Investor Relations" section of our website for a reconciliation of each of these measures to the most directly comparable IFRS financial measure.
