NEW YORK – Thomson Reuters (TSX / NYSE: TRI), the world's leading source of intelligent information for businesses and professionals, today announced that it is extending the previously announced cash tender offer made by its wholly owned, indirect subsidiary, CB Transaction Corp., to purchase all of the outstanding shares of common stock of FXall (NYSE:FX), the leading independent global provider of electronic foreign exchange trading solutions to corporations and asset managers, until 5:00 p.m., New York City time, on Friday, August 17, 2012.

Thomson Reuters and FXall also announced today that they have entered into a Memorandum of Understanding on behalf of themselves and the other defendants outlining the terms of the parties' agreement in principle to settle the action pending in the Delaware Court of Chancery captioned Michael Rubin vs. FX Alliance Inc., C.
