Further, shareholders approved a plan of arrangement to implement the company's proposed return of capital transaction. For the other items of business at the annual and special meeting, shareholders re-appointed PricewaterhouseCoopers LLP as the company's auditor and approved an advisory resolution on executive compensation. A final report on voting results has been filed with the Canadian securities regulatory authorities and furnished to the U.S. Securities and Exchange Commission.

Timeline/Next Steps

- The plan of arrangement for the return of capital transaction is subject to final approval by the Ontario Superior Court of Justice (Commercial List) as well as the Toronto Stock Exchange (TSX) and New York Stock Exchange (NYSE). The Court hearing for a final order to approve the plan of arrangement is scheduled to take place on June 16, 2023.
- If those final approvals are received:
 - o Thomson Reuters will determine the share consolidation ratio after 4:00 p.m. (Toronto time) on June 22, 2023 and issue a news release later that day with applicable information for shareholders;
 - o The plan of arrangement will become effective at 3:01 a.m. (Toronto time) on June 23, 2023 and the post-consolidation shares are expected to begin trading on the TSX and NYSE under a new CUSIP when markets open that day;
 - o As promptly as practicable after the transaction is effective, the company's depositary for the transaction (Computershare Investor Services Inc.) will deliver cash distribution amounts to registered participating shareholders, subject to the terms and conditions of the transaction. The effects of the share consolidation will be reflected in the company's share register. Beneficial or non-registered shareholders participating in the transaction will receive cash distributions from their bank, broker or other intermediary and the effects of the share consolidation will be recorded in their accounts; and
 - o Eligible shareholders who duly exercised their right to opt out of the transaction will not receive the cash distribution and will continue to hold the same number of shares that they held prior to the effective time of the transaction. Opt-out deadlines passed earlier this week.

Further details of the proposed return of capital transaction are described in the company's 2023 management proxy circular and related materials, which are available on www.thomsonreuters.com in the "Investor relations" section. The return of capital documents were previously filed with the Canadian securities regulatory authorities on SEDAR and are available at www.sedar.com. The documents were also furnished to the U.S. Securities and Exchange Commission through EDGAR and are available at www.sec.gov.
