INFORMATION REQUIRED TO BE DELIVERED TO OFFEREES OR PURCHASERS

This short form base shelf prospectus has been filed under legislation in each of the provinces of Canada that permits certain information about these securities to be determined after this prospectus has become final and that permits the omission from this prospectus of that information. The legislation requires the delivery to purchasers of a prospectus supplement containing the omitted information within a specified period of time after agreeing to purchase any of these securities.

This short form base shelf prospectus is not an offer to sell these securities and it is not soliciting an offer to buy these securities in any jurisdiction where the offer or sale is not permitted.

No securities regulatory authority has expressed an opinion about these securities and it is an offence to claim otherwise. Information has been incorporated by reference in this prospectus from documents filed with securities commissions or similar authorities in Canada. SHORT FORM BASE SHELF PROSPECTUS

New Issue

November 16, 2007

The Thomson Corporation

US\$3,000,000,000

Debt Securities (unsecured)

We may from time to time offer and issue one or more series of unsecured debt securities, which we refer to as Debt Securities, in an aggregate principal amount of up to US\$3,000,000,000 (or the equivalent in other currencies) or, if any Debt Securities are issued at an original issue discount, such greater amount as shall result in an aggregate issue price of US\$3,000,000,000 (or the equivalent in other currencies), during the 25 month period that this short form base shelf prospectus, including any amendments hereto, remains valid.

We will provide the specific terms of the Debt Securities in respect of which this prospectus is being delivered in applicable prospectus supplements and may include, where applicable, the specific designation, aggregate principal amount, currency, maturity, interest provisions, authorized denominations, offering price, any terms for redemption at our option or the option of the holder and any other specific terms. You should read this prospectus and any applicable prospectus supplements carefully before you invest. Debt Securities may consist of debentures, notes or other types of debt and may be issuable in series.

All information permitted under applicable securities laws to be omitted from this prospectus will be contained in one or more prospectus supplements that will be delivered to purchasers together with this prospectus. Each prospectus supplement will be deemed to be incorporated by reference into this prospectus as of the date of the prospectus supplement and only for the purposes of the distribution of the Debt Securities to which the prospectus supplement pertains.

Our registered office is at Suite 2706, Toronto Dominion Bank Tower, P.O. Box 24, Toronto-Dominion Centre, Toronto, Ontario, M5K 1A1, Canada. Our principal executive office in the United States is Metro Center, One Station Place, Stamford, Connecticut 06902, United States.

THESE SECURITIES HAVE NOT BEEN APPROVED OR DISAPPROVED BY THE UNITED STATES SECURITIES AND EXCHANGE COMMISSION OR ANY STATE SECURITIES COMMISSION NOR HAS THE SECURITIES AND EXCHANGE COMMISSION OR ANY STATE SECURITIES COMMISSION PASSED UPON THE ACCURACY AND ADEQUACY OF THIS PROSPECTUS. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENSE.

We are permitted, under a multijurisdictional disclosure system adopted by the United States and Canada, to prepare this prospectus in accordance with Canadian disclosure requirements, which are different from those of the United States. We currently prepare our financial statements in accordance with Canadian generally accepted accounting principles, and our financial statements are subject to Canadian generally accepted auditing standards and Canadian and U.S. securities regulatory auditor independence standards. Our financial statements may not be comparable to financial statements of U.S. companies.

Owning the Debt Securities may have tax consequences in both the United States and Canada. This prospectus and any applicable prospectus supplement may not describe these tax consequences fully. You should consult your own tax advisor with respect to your own particular circumstances and read the tax discussion in this prospectus and any applicable prospectus supplement.

Your ability to enforce civil liabilities under U.S. federal securities laws may be affected adversely because we are incorporated under the laws of the Province of Ontario, Canada, some of our officers and directors and some of the experts named in this prospectus are residents of Canada and some of our assets and some of the assets of those officers, directors and experts may be located outside of the United States.

Unless otherwise specified in an applicable prospectus supplement, the Debt Securities will not be listed on any securities or stock exchange or on any automated dealer quotation system. There is no market through which these Debt Securities may be sold and purchasers may not be able to resell Debt Securities purchased under this prospectus. This may affect the pricing of the Debt Securities in the secondary market, the transparency and availability of trading prices, the liquidity of the Debt Securities, and the extent of issuer regulation. See "Risk Factors."

SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS

Certain statements included and incorporated by reference in this prospectus constitute forward-looking statements. When used in this prospectus or in the documents incorporated by reference herein, the words “anticipate,” “believe,” “plan,” “estimate,” “expect,” “intend,” “will,” “may” and “should” and similar expressions, as they relate to us or our management, are intended to identify forward-looking statements. These forward-looking statements are not historical facts but reflect our current expectations concerning future results and events. These forward-looking statements are subject to a number of risks and uncertainties that could cause actual results or events to differ materially from current expectations, which include, but are not limited to:

- actions of our competitors;
- our failure to fully derive anticipated benefits from our acquisitions or complete dispositions;
- failures or disruptions of our electronic delivery systems or the Internet;
- our failure to meet the special challenges involved in expansion of our operations outside North America;

- the failure of our significant investments in technology to increase our revenues or decrease our operating costs;
- our failure to develop new products, services, applications and functionalities to meet our customers' needs, attract new customers or expand into new geographic markets;
- increased accessibility by our customers to free or relatively inexpensive information sources;
- our failure to maintain the availability of information obtained through licensing arrangements and changes in the terms of our licensing arrangements;
- changes in the general economy;
- our failure to recruit and retain high quality management and key employees;
- increased self-sufficiency of our customers;
- inadequate protection of our intellectual property rights;
- actions or potential actions that could be taken by our principal shareholder, The Woodbridge Company Limited, or Woodbridge;
- our failure to realize the anticipated savings and operating efficiencies from the THOMSON*plus* initiative;
- an increase in our effective income tax rate; and
- impairment of our goodwill and identifiable intangible assets.

These factors and other risk factors described herein, including under the sections of this prospectus entitled "Risk Factors" and "Proposed Acquisition of Reuters Group PLC — Risks Relating to the Reuters Transaction," and in some of the documents incorporated by reference in this prospectus represent risks that our management believes are material. Other factors not presently known to us or that we presently believe are not material could also cause actual results to differ materially from those expressed in our forward-looking statements. We caution you not to place undue reliance on these forward-looking statements that reflect our view only as of the date of this prospectus. We disclaim any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, other than as required by law. Additional factors are discussed in our materials filed with the securities regulatory authorities in Canada and the United States from time to time, including our annual information form for the year ended December 31, 2006, which is contained in our annual report on Form 40-F for the year ended December 31, 2006, and the other documents incorporated by reference herein.

RISK FACTORS

Investing in the Debt Securities is subject to certain risks. Before purchasing Debt Securities, you should consider carefully the risk factors set forth below, those under the heading "Proposed Acquisition of Reuters Group PLC — Risks Relating to the Reuters Transaction" of this prospectus and those under the heading "Risk Factors" in our annual information form, which is contained in our annual report on Form 40-F for the year ended December 31, 2006 (and our annual information forms for subsequent years), as well as the other information contained in and incorporated by reference in this prospectus (including subsequently filed documents incorporated by reference) and, if applicable, those described in the applicable prospectus supplement. If any of the events or developments discussed in these risks actually occur, our business, financial condition or results of operation or the value of the Debt Securities could be adversely affected.

Fluctuations in exchange rates could give rise to foreign currency exposure.

Debt Securities denominated or payable in foreign currencies may entail significant risks, and the extent and nature of such risks change continuously. These risks include, without limitation, the possibility of significant fluctuations in the foreign currency market, the imposition or modification of foreign exchange controls and potential illiquidity in the secondary market. These risks will vary depending on the currency or currencies involved. Prospective purchasers should consult their own financial and legal advisors as to the risks entailed in an investment in Debt Securities denominated in currencies other than the local currency. Debt Securities are not an appropriate investment for investors who are unsophisticated with respect to foreign currency transactions.

Credit ratings assigned to Debt Securities may change.

We cannot assure you that any credit rating assigned to Debt Securities issued hereunder will remain in effect for any given period of time or that any rating will not be lowered or withdrawn entirely by the relevant rating agency. A lowering or withdrawal of such rating may have an adverse effect on the market value of the Debt Securities.

There may not be a trading market for the Debt Securities.

There is currently no market through which the Debt Securities may be sold. We cannot assure you that a secondary market for trading in the Debt Securities will develop or that any secondary market which does develop will continue.

The Debt Securities will be subordinated to creditors of our subsidiaries.

We conduct our operations through a number of subsidiaries and to the extent any such subsidiary has or incurs indebtedness with a third party, the holders of the Debt Securities will effectively be subordinated to the claims of the holders of such third party indebtedness, including in the event of liquidation or upon a realization of the assets of any such subsidiary.

We have made only limited covenants in the trust indenture governing the Debt Securities and these limited covenants may not protect your investment.

The trust indenture governing the Debt Securities does not:

- require us to maintain any financial ratios or specific levels of net worth, revenues, income, cash flows or liquidity and, accordingly, does not protect holders of the Debt Securities in the event that we experience significant adverse changes in our financial condition or results of operations;
- limit our ability to incur indebtedness that is equal in right of payment to the Debt Securities;
- restrict our ability to repurchase our common shares;
- restrict our ability to make investments or to pay dividends or make other payments in respect of our common shares or other securities ranking junior to the Debt Securities; or

- necessarily afford holders of Debt Securities protection should we be involved in a transaction that significantly increases our leverage.

The trust indenture governing the Debt Securities contains only limited protections in the event of many types of transactions that we could engage in, including acquisitions, refinancings, recapitalizations or restructurings that could substantially affect our capital structure and the value of the Debt Securities. If any such transaction should occur, the value of your Debt Securities may decline.

We expect to restructure our business segments following our acquisition of Reuters, described below.

PROPOSED ACQUISITION OF REUTERS GROUP PLC

General

In May 2007, we agreed to acquire Reuters and to combine the two companies' businesses through a dual listed company, or DLC, structure. The transaction is subject to receipt of required regulatory, shareholder and court approvals and other customary closing conditions. After the proposed transaction closes, the combined business will be called Thomson-Reuters. The parent companies of the combined business will be The Thomson Corporation, an Ontario corporation, which will be renamed Thomson-Reuters Corporation, and Thomson-Reuters PLC, a United Kingdom company. The combined Thomson Financial unit and Reuters financial and media businesses will be called Reuters. Our existing professional businesses — Legal, Tax & Accounting, Scientific and Healthcare — will together be known as Thomson-Reuters Professional.

Under the DLC structure, the two parent companies will be separate legal entities but will be managed and operated as if they were a single economic enterprise. As a result of the DLC structure, shareholders of the two parent companies will effectively have an interest in the combined business and will have entitlements to cash dividends, capital distributions and voting rights that are comparable to those they would have if they were holding shares of a single company. The DLC structure will be accomplished through contractual arrangements between the two parent companies and provisions in each parent company's organizational documents. The boards of the two parent companies will be identical and the combined business will be managed by a single senior executive management team. To give effect to the DLC structure, we have agreed with Reuters that on closing the two parent companies will enter into reciprocal deeds of guarantee pursuant to which they will each agree for the benefit of third party creditors to guarantee contractual obligations of the other including, in the case of the deed of guarantee to be entered into by Thomson-Reuters PLC, obligations of our company under the Debt Securities.

For more information about the transaction, please see the documents incorporated by reference in this prospectus, including our management's discussion and analysis for the nine months ended September 30, 2007 and our material change report dated May 23, 2007 (which we amended on September 27, 2007).

Information Regarding Reuters

Reuters is subject to the information requirements of the Exchange Act and, in accordance with the Exchange Act, files reports and other information with the SEC. You may read or obtain copies, at a fee, of any document Reuters files with or furnishes to the SEC at the SEC's public reference room at 100 F Street, N.E., Washington, D.C. 20549. Please call the SEC at 1-800-SEC-0330 or access its website at www.sec.gov for further information on the public reference room. Reuters' filings are also electronically available from EDGAR, as well as from commercial document retrieval services. Reuters' filings are not a part hereof or incorporated herein by reference.

In certain of the documents incorporated reference in this prospectus, we have provided summary information regarding Reuters' business and financial results. That information is derived from reports and other information filed by Reuters with the SEC. We make no representation or warranty as to the accuracy or completeness of reports filed by Reuters with the SEC, information published by Reuters on its website or in any other format, information about Reuters obtained from any other source or the information regarding Reuters included in any documents incorporated by reference in this prospectus.

Risks Relating to the Reuters Transaction

There are a number of risks and uncertainties associated with the proposed Reuters transaction, including the following:

- the transaction is subject to various regulatory approvals and the fulfillment of certain conditions, including the approval of our and Reuters' shareholders and court approvals in Ontario, Canada and England, and there can be no assurance that any such approvals will be obtained, that these conditions will be met or waived or that we will be able to successfully consummate the proposed transaction as currently contemplated or at all;
- as a condition to providing required regulatory approvals, governmental authorities may require divestiture of certain of our or Reuters' assets or seek to impose restrictive conditions on the operations of the combined businesses;
- we may not be able to achieve the anticipated operating synergies, cost savings and other benefits of the transaction; and
- our company's and Reuters' ability to attract new employees and retain existing employees may be harmed by the uncertainty associated with the transaction.

USE OF PROCEEDS

Unless otherwise specified in a prospectus supplement that accompanies this prospectus, the net proceeds from the sale of the Debt Securities will be added to our general funds and we will use them for general corporate purposes including to repay existing indebtedness. We may invest funds that we do not immediately use in short-term marketable securities. We may from time to time issue Debt Securities and incur additional indebtedness other than through an offering under this prospectus and any applicable prospectus supplements.

INTEREST COVERAGE

After giving effect to our issuance on October 2, 2007 of US\$800 million aggregate principal amount of 5.70% notes due 2014 and the use of the net proceeds from that offering, as if such offering occurred at the beginning of each period, the pro forma interest, including these new notes and other long-term and short-term debt for the 12 months ended December 31, 2006 and September 30, 2007, would amount to US\$249 million and US\$247 million, respectively, for each such period. Our consolidated net earnings before deducting interest expense and other financing costs (including the effect of related debt swaps) and before income taxes for the 12 months ended December 31, 2006 were US\$1,576 million which is 6.3 times the pro forma annualized interest for that period, and for the 12 months ended September 30, 2007 were US\$5,415 million, which is 21.9 times the annualized pro forma interest for that period.

Excluding the results of discontinued operations, consolidated net earnings before deducting interest expense and other financing costs (including the effect of related debt swaps) and before income taxes for the 12 months ended December 31, 2006 were US\$1,279 million, which is 5.2 times the pro forma annualized interest for that period, and for the 12 months ended September 30, 2007 were US\$1,406 million, which is 5.8 times the pro forma annualized interest for that period.

These coverage ratios do not give effect to the issuance of Debt Securities that may be issued pursuant to this prospectus.

SHARE CAPITAL

Our authorized capital consists of an unlimited number of common shares and an unlimited number of preference shares without par value issuable in series. As of November 14, 2007, 640,907,653 common shares and 6,000,000 Series II cumulative redeemable floating rate preference shares were outstanding.

DESCRIPTION OF DEBT SECURITIES

This section describes certain general terms and provisions of the Debt Securities. We will provide the particular terms and provisions of a series of Debt Securities and a description of how the general terms and provisions described below apply to that series in a prospectus supplement. Thus, for a description of the terms of a particular series of Debt Securities, you must refer to both the applicable prospectus supplement relating to that series and the description of the Debt Securities contained in this prospectus. In this section, the words “we,” “us,” “our” and “our company” refer only to The Thomson Corporation and not to any of our consolidated subsidiaries.

Unless otherwise specified in a prospectus supplement, the Debt Securities will be issued under a trust indenture dated November 20, 2001, as amended and supplemented from time to time, between our company, Computershare Trust Company of Canada and Deutsche Bank Trust Company Americas. We collectively refer to Computershare Trust Company of Canada and Deutsche Bank Trust Company Americas as the “Trustees” and each Trustee acting in such capacity for a specific series of Debt Securities as a “Trustee.” The trust indenture is subject to the provisions of Trust Indenture Legislation.

This summary information does not purport to be complete and is qualified in its entirety by reference to the provisions of the Debt Securities and the trust indenture, including the definition of certain terms in the trust indenture. It is the trust indenture, and not this summary, that governs the rights of holders of Debt Securities. Capitalized terms that are used in this section and not defined have the meanings assigned to them in the trust

indenture. We have defined selected terms at the end of this section. Section references below are to sections of the trust indenture.

General

The trust indenture does not limit the amount of Debt Securities that may be issued under the trust indenture. The trust indenture provides that Debt Securities may be issued from time to time in one or more series and may be denominated and payable in U.S. dollars or any other currency. We may offer no more than US\$3,000,000,000 (or the equivalent in non-U.S. Currency) aggregate principal amount of Debt Securities pursuant to this prospectus. The specific terms of any series of Debt Securities will be established at the time of issuance and will be described in the applicable prospectus supplement. These terms may include, but are not limited to, any of the following:

- the specific designation of the Debt Securities;
- any limit on the aggregate principal amount of the Debt Securities;
- the date or dates, if any, on which the Debt Securities will mature and the portion (if other than all of the principal amount) of the Debt Securities to be payable upon declaration of acceleration of Maturity;
- the rate or rates per annum (which may be fixed or variable) at which the Debt Securities will bear interest, if any, the date or dates from which any such interest will accrue, the Interest Payment Dates on which any such interest will be payable and the Regular Record Dates for any interest payable on the Debt Securities which are in registered form;
- any mandatory or optional redemption or sinking fund provisions, including the period or periods within which, the price or prices at which and the terms and conditions upon which the Debt Securities may be redeemed or purchased at the option of our company or otherwise;
- whether the Debt Securities will be issuable in registered form or bearer form or both, and, if issuable in bearer form, the restrictions as to the offer, sale and delivery of the Debt Securities in bearer form and as to exchanges between registered and bearer form;
- whether the Debt Securities will be issuable in the form of one or more registered global securities and if so the identity of the depository for such registered global securities;
- the denominations in which any of the Debt Securities will be issuable if other than denominations of US\$1,000 and any multiple thereof;
- each office or agency where the principal of and any premium and interest on the Debt Securities will be payable and each office or agency where the Debt Securities may be presented for registration of transfer or exchange;
- if other than U.S. dollars, the foreign currency or the units based on or relating to foreign currencies in which the Debt Securities are denominated and/or in which the payment of the principal of and any premium and interest on the Debt Securities will or may be payable;
- any index pursuant to which the amount of payments of principal of and any premium and interest on the Debt Securities will or may be determined;
- any other terms of the Debt Securities, including covenants and additional Events of Default; and
- the identity of the Trustee for a particular series of Debt Securities. (Section 301)

The trust indenture also provides that there may be more than one Trustee under the trust indenture, each with respect to one or more different series of Debt Securities. See “— Resignation of Trustee” below for more information. As there is more than one Trustee under the trust indenture, the powers and trust obligations of each Trustee as described in this prospectus shall extend only to the one or more series of Debt Securities for which it is Trustee. The Debt Securities (whether of one or more than one series) for which each Trustee is acting shall in effect be treated as if issued under separate trust indentures. The term “Debt Securities” as used in this prospectus shall mean the one or more series with respect to which each respective Trustee is acting.

Some or all of the Debt Securities may be issued under the trust indenture as Original Issue Discount Securities (bearing no interest or interest at a rate that at the time of issuance is below market rates) to be issued at prices below their stated principal amounts.

The general provisions of the trust indenture do not contain any provisions that would limit the ability of our company to incur indebtedness or that would afford Holders protection in the event of a highly leveraged or similar transaction involving our company.

Under the trust indenture, we will have the ability, in addition to the ability to issue Debt Securities with terms different from those of other Debt Securities previously issued, without the consent of the Holders, to reopen a previous issue of a series of Debt Securities and issue additional Debt Securities of such series. (Section 301)

Ranking and Other Indebtedness

The Debt Securities will be unsecured obligations of our company and will rank equally with all other unsecured and unsubordinated obligations of our company.

Form, Denomination, Exchange and Transfer

Debt Securities of a series may be issuable solely as registered Debt Securities issuable in denominations of US\$1,000 and integral multiples of US\$1,000 or in such other denominations as may be provided for by the terms of the Debt Securities of any particular series. The trust indenture also provides that Debt Securities of a series may be issuable in global form, which we refer to as Global Securities. Debt Securities of any series will be exchangeable for other Debt Securities of the same series of any authorized denominations and of a like aggregate principal amount and tenor. (Section 305)

The Debt Securities may be presented for exchange as described above, and Debt Securities may be presented for registration of transfer (duly endorsed or accompanied by a written instrument of transfer), at the corporate trust office of the Trustee or at the office of any transfer agent designated by our company for such purpose with respect to any series of Debt Securities. No service charge will be made for any transfer or exchange of Debt Securities, but we may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith. We may at any time designate one or more successor or additional transfer agents with respect to any series of Debt Securities and may from time to time rescind any such designation. (Section 305) We will be required to maintain a transfer agent in each Place of Payment for such series. (Section 1002)

So long as required by the *Business Corporations Act* (Ontario), we shall cause to be kept, by our company or a trust corporation registered in Ontario, a central securities register that complies with the requirements of the *Business Corporations Act* (Ontario). Additionally, we will cause to be recorded promptly in the central securities register maintained pursuant to the *Business Corporations Act* (Ontario), the particulars of each issue, exchange or transfer of Debt Securities. Unless otherwise provided for in the case of any series of Debt Securities, the Trustee shall maintain at its corporate trust office a branch register containing the same information with respect to each entry contained therein as contained in the central register. In the event of a conflict between the information contained in the central register and the information contained in a branch register, the information contained in the central register shall prevail. (Section 305)

We shall not be required to:

- issue, register the transfer of or exchange Debt Securities of any series during a period beginning at the opening of business 15 days before any selection of Debt Securities of that series to be redeemed and ending at the close of business on the day of mailing of the relevant notice of redemption;
- register the transfer of or exchange any Debt Security, or portion thereof, called for redemption, except the unredeemed portion of any Debt Security being redeemed in part; or
- issue, register the transfer of or exchange any Debt Security which has been surrendered for repayment at the option of the Holder except the portion, if any, of such Debt Security not to be so repaid. (Section 305)

Events of Default

The trust indenture provides, with respect to any series of Outstanding Debt Securities thereunder, that the following shall constitute Events of Default:

- (i) default in the payment of any interest upon any Debt Security of that series, when the same becomes due and payable, continued for 30 days;
- (ii) default in the payment of the principal of or any premium on any Debt Security of that series at its Maturity;
- (iii) default in the deposit of any sinking fund or analogous payment when due by the terms of any Debt Security of that series;
- (iv) default in the performance, or breach, of any covenant or warranty of our company in the trust indenture (other than a covenant or warranty, a default in whose performance or whose breach is specifically dealt with elsewhere in the trust indenture), continued for 60 days after written notice to our company;
- (v) certain events of bankruptcy, insolvency or reorganization; and
- (vi) any other Event of Default provided with respect to the Debt Securities of that series. (Section 501)

No Event of Default provided with respect to a particular series of Debt Securities necessarily constitutes an Event of Default with respect to any other series of Debt Securities. (Section 501) We are required to file with the Trustee, annually, an Officer's Certificate as to our compliance with all conditions and covenants under the trust indenture. (Section 1004) The trust indenture provides that the Trustee may withhold notice to the Holders of Debt Securities of any default (except payment defaults on the Debt Securities) if it considers it in the best interest of the Holders of Debt Securities to do so. (Section 502)

If an Event of Default listed in clause (i), (ii), (iii), (iv) or (vi) of the second preceding paragraph with respect to Debt Securities of a particular series occurs and is continuing, the Trustee or the Holders of not less than 25% in principal amount of Outstanding Debt Securities of that series may declare the Outstanding Debt Securities of that series due and payable immediately. If an Event of Default listed in clause (v) of the preceding paragraph occurs and is continuing, then the Trustee or the Holders of not less than 25% in principal amount of all Debt Securities then Outstanding may declare the principal amount of all of the Outstanding Debt Securities to be due and payable immediately. However, in either case the Holders of a majority in principal amount of the Outstanding Debt Securities of that series, or of all Outstanding Debt Securities, as the case may be, by written notice to us and the Trustee, may, under certain circumstances, rescind and annul such declaration. (Section 503)

Subject to the provisions relating to the duties of the Trustee, in case an Event of Default with respect to Debt Securities of any or all series occurs and is continuing, the Trustee shall be under no obligation to exercise any of its rights or powers under the trust indenture at the request, order or direction of any of the Holders of such Debt Securities, unless such Holders shall have offered to the Trustee reasonable indemnity against the expenses and liabilities which might be incurred by it in compliance with such request. (Section 508) Subject to such provisions for the indemnification of the Trustee, the Holders of not less than a majority in principal amount of the Outstanding Debt Securities of any series (with respect to any remedy, trust or power relating to or arising under an Event of Default described in clause (i), (ii), (iii), (iv) or (vi) above) or the Holders of a majority in principal amount of all Outstanding Debt Securities (with respect to any other remedy, trust or power), as the case may be, shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee under the trust indenture, or exercising any trust or power conferred on the Trustee. (Section 513)

The Holders of not less than a majority in principal amount of the Outstanding Debt Securities of any series may on behalf of the Holders of all the Debt Securities of such series waive any past default described in clause (i), (ii), (iii), (iv) or (vi) above (or, in the case of a default described in clause (v) above, the Holders of not less than a majority in principal amount of all Outstanding Debt Securities may waive any such past default) and its

consequences, except a default (a) in the payment of the principal of (or premium, if any) or any interest on any Debt Security, or (b) in respect of a covenant or provision that cannot be modified or amended without the consent of the Holder of each Outstanding Debt Security of such series affected thereby. (Section 514)

Negative Pledge

The trust indenture provides that, so long as any Debt Securities are Outstanding, we will not:

- create or permit to subsist after knowledge of the existence thereof any mortgage, lien, pledge, encumbrance, conditional sale or other title retention agreement, or other similar security interest, or Security Interest, upon any part of any undertaking or assets to secure any of our Debt; or
- permit any Material Subsidiary to give any Guarantee to secure any of our Debt;

without at the same time or as soon as reasonably practicable thereafter according to the Holders of Debt Securities a ratable and *pari passu* interest in the same Security Interest or Guarantee, as applicable, but this covenant will not apply to, or operate to prevent:

(i) any Security Interest for, or any Guarantee by a Material Subsidiary of, any of our Debt, the amount of which, when aggregated with the amount of all other Debt of our company then outstanding in respect of which Security Interest or a Guarantee by a Material Subsidiary has been given, excluding any Security Interest or Guarantee given pursuant to the exceptions in subparagraphs (ii) to (iv), would not exceed 10% of Consolidated Shareholders' Equity;

(ii) any Security Interest on (a) any asset (including shares) acquired or held by our company to secure our Debt incurred solely for the purpose of financing the acquisition, construction, research, development or improvement of such asset or (b) shares of a Subsidiary organized solely to acquire any such asset;

(iii) the assumption by our company of any Security Interest in existence on any asset at the time of acquisition thereof, including any such assumption consequent upon any amalgamation, merger, arrangement or other corporate reorganization;

(iv) our company giving a Security Interest (other than on shares or fixed assets) in the ordinary course of our business to any bank or banks or others to secure any Debt of our company that is not a Funded Obligation; or

(v) the extension, renewal or refunding of any Security Interest permitted under subparagraphs (ii) to (iv) to the extent of the principal amount of our Debt secured by and owing under any such Security Interest at the time of such extension, renewal or refunding. (Section 1007)

Modification and Waiver

Modification and amendment of the trust indenture may be made by our company and the Trustee with the consent of the Holders of not less than a majority in principal amount of all Outstanding Debt Securities that are affected by such modification or amendment; provided that no such modification or amendment may, without the consent of the Holder of each Outstanding Debt Security affected thereby, among other things;

- change the Stated Maturity of, the principal of (or premium, if any), or any installment of interest on any such Debt Security;
- reduce the principal amount or the rate of interest on or any premium payable on any Debt Security;
- change any obligation of our company to pay Additional Amounts provided for pursuant to Section 1005 of the trust indenture, with certain exceptions;
- reduce the amount of the principal of an Original Issue Discount Security that would be due and payable upon a declaration of acceleration of the Maturity thereof;
- adversely affect any right of repayment at the option of the Holder of any such Debt Security;
- change the Currency or Place of Payment of principal of, or any premium or interest on, any such Debt Security;

- reduce the above-stated percentage of Holders of such Outstanding Debt Securities necessary to modify or amend the trust indenture or to consent to any waiver thereunder (including a waiver of certain defaults); or
- modify the foregoing requirements with certain exceptions. (Section 902)

The Holders of a majority in principal amount of Outstanding Debt Securities affected thereby have the right to waive compliance by our company with certain covenants. (Section 1008)

Our company and the Trustee may modify and amend the trust indenture without the consent of any Holder, for any of the following purposes:

- to evidence the succession of another Person to our company as obligor under the trust indenture;
- to add to the covenants of our company for the benefit of the Holders of all or any series of Debt Securities;
- to add additional Events of Default for the benefit of the Holders of all or any series of Debt Securities;
- to add, change or eliminate any provisions of the trust indenture, provided that any such addition, change or elimination shall become effective only when there are no Debt Securities Outstanding of any series created prior thereto which are entitled to the benefit of such provision or any such addition, change or elimination shall not apply to any Outstanding Debt Security;
- to secure the Debt Securities pursuant to the provisions described above under “— Negative Pledge” and “— Merger, Consolidation or Amalgamation,” or otherwise;
- to establish the form or terms of Debt Securities of any series;
- to provide for the acceptance of appointment by a successor Trustee or facilitate the administration of the trusts under the trust indenture by more than one Trustee;
- to cure any ambiguity, defect or inconsistency in the trust indenture, provided such action does not adversely affect the interests of Holders of Debt Securities of any series in any material respect;
- to supplement any of the provisions of the trust indenture to the extent necessary to permit or facilitate defeasance and discharge of any series of Debt Securities, provided, however, such action shall not adversely affect the interests of the Holders of any Debt Securities in any material respect; or
- to comply with Trust Indenture Legislation, provided such action does not adversely affect the interests of Holders of Debt Securities of any series in any material respect. (Section 901)

The trust indenture provides that in determining whether the Holders of the requisite principal amount of Debt Securities of a series then Outstanding have given any request, demand, authorization, direction, notice, consent or waiver thereunder:

- the principal amount of an Original Issue Discount Security that shall be deemed to be Outstanding shall be the amount of the principal thereof that would be due and payable as of the date of such determination upon acceleration of the maturity thereof;
- the principal amount of a Debt Security denominated in a Currency or Currencies other than U.S. dollars shall be the U.S. dollar equivalent, determined as of the date such Debt Securities were originally issued by our company, of the principal amount (or, in the case of an Original Issue Discount Security, the U.S. dollar equivalent on the issue date of such Original Issue Discount Security of the amount determined as provided in the first bullet above); and
- Debt Securities owned by our company or any other obligor or affiliate of our company or such other obligor shall be disregarded and not deemed to be Outstanding. (Section 101)

Merger, Consolidation or Amalgamation

The trust indenture provides that our company may not amalgamate or consolidate with or merge into any other Person or convey, transfer, sell or lease our properties and assets substantially as an entirety to any Person, unless:

- the Person formed by such consolidation or amalgamation or into which we are merged or the Person which acquires or leases our properties and assets substantially as an entirety is organized or existing under the laws of any Canadian, United States, United Kingdom or other country that is in the European Community jurisdiction expressly assumes our obligations on the Debt Securities and under the trust indenture, and
- certain other conditions are met. (Section 801)

In addition, no such amalgamation, consolidation, merger or transfer may be made if, as a result thereof, any property or assets of our company would become subject to any mortgage or other encumbrance securing Debt, unless such mortgage or other encumbrance could be created pursuant to the provisions described under “— Negative Pledge” above without equally and ratably securing the Debt Securities or unless the Debt Securities are secured equally and ratably with, or prior to, the Debt secured by such mortgage or other encumbrance. (Section 803)

Discharge, Defeasance and Covenant Defeasance

We may discharge certain obligations to Holders of any series of Debt Securities issued under the trust indenture which have not already been delivered to the Trustee for cancellation and which have either become due and payable or are by their terms due and payable within one year (or scheduled for redemption within one year) by irrevocably depositing with the Trustee trust funds in an amount sufficient to pay the entire indebtedness on such Debt Securities for principal (and premium, if any) and interest to the date of such deposit (if such Debt Securities have become due and payable) or to the Stated Maturity or Redemption Date, as the case may be. (Section 401)

We may, at our option and at any time, elect to have our obligations discharged with respect to the Outstanding Debt Securities of or within any series, which we refer to as defeasance. Defeasance means that we shall be deemed to have paid and discharged the entire indebtedness represented by such Outstanding Debt Securities and to have satisfied our other obligations under the trust indenture with respect to such Debt Securities, except for:

- the rights of Holders of such Outstanding Debt Securities to receive solely from the trust fund described below payments in respect of the principal of (and premium, if any) and interest on such Debt Securities when such payments are due;
- our obligations with respect to such Debt Securities relating to the issuance of temporary securities, the registration, transfer and exchange of the Debt Securities, the replacement of mutilated, destroyed, lost or stolen Debt Securities, the maintenance of an office or agency in the applicable Place of Payment, the holding of money for security payments in trust and with respect to the payment of Additional Amounts, if any, pursuant to Section 301 of the trust indenture;
- the rights, powers, trusts, duties and immunities of the Trustee; and
- the defeasance provisions of the trust indenture.

We may, at our option and at any time, elect to be released from our obligations with respect to certain covenants that are described in the trust indenture (including those described under “— Negative Pledge” and “— Merger, Consolidation or Amalgamation” above), and we refer to this as “covenant defeasance,” and any omission to comply with such obligations thereafter shall not constitute a default or an Event of Default with respect to such Debt Securities. (Sections 1401, 1402 and 1403)

In order to exercise either defeasance or covenant defeasance:

- we must irrevocably deposit with the Trustee (or other qualifying trustee), in trust, for the benefit of the Holders of such Debt Securities, cash, Government Obligations, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of (and premium, if any) and interest on such Outstanding Debt Securities, and any mandatory

sinking fund or analogous payments thereon, on the scheduled due dates therefor in the Currency in which such Debt Securities are then specified as payable at Stated Maturity;

- in the case of defeasance, we shall have delivered to the Trustee an Opinion of Counsel qualified to practice law in the United States stating that (x) we have received from, or there has been published by, the Internal Revenue Service a ruling or (y) since the date of the trust indenture, there has been a change in the applicable United States federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of such Debt Securities will not recognize income, gain or loss for United States federal income tax purposes as a result of such defeasance and will be subject to United States federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance had not occurred;
- in the case of covenant defeasance, we shall have delivered to the Trustee an Opinion of Counsel qualified to practice law in the United States to the effect that the Holders of such Debt Securities will not recognize income, gain or loss for United States federal income tax purposes as a result of such covenant defeasance and will be subject to United States federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred;
- in the case of defeasance or covenant defeasance, we shall have delivered to the Trustee an Opinion of Counsel qualified to practice law in Canada or a ruling from the Canada Customs and Revenue Agency to the effect that Holders of such Outstanding Securities will not recognize income, gain or loss for Canadian federal or provincial income tax or other tax purposes as a result of such defeasance or covenant defeasance, as applicable, and will be subject to Canadian federal or provincial income tax and other tax including withholding tax, if any, on the same amounts, in the same manner and at the same times as would have been the case if such defeasance or covenant defeasance had not occurred; and
- we have delivered to the Trustee an Opinion of Counsel to the effect that the deposit referenced in the first bullet above will not cause the Trustee or the trust so created to be subject to the U.S. Investment Company Act of 1940, as amended, and that we are not an "insolvent person" within the meaning of the Bankruptcy and Insolvency Act, on the date of the deposit referred to in the first bullet above or at any time during the period ending on the 91st day after the date of such deposit. (Section 1404)

If, after we have deposited funds and/or Government Obligations to effect defeasance or covenant defeasance with respect to any Debt Securities:

- the Holder of any such Debt Security is entitled to, and does, elect pursuant to the terms of such Debt Security to receive payment in a Currency other than that in which such deposit has been made in respect of such Debt Security, or
- the Currency in which such deposit has been made in respect of any such Debt Security ceases to be used by its government of issuance, the indebtedness represented by such Debt Security shall be deemed to have been, and will be, fully discharged and satisfied through the payment of the principal of (and premium, if any) and interest, if any, on such Debt Security as they become due out of the proceeds yielded by converting the amount so deposited in respect of such Debt Security into the Currency in which such Debt Security becomes payable as a result of such election or such cessation of usage based on the applicable Market Exchange Rate. (Section 1405)

All payments of principal of (and premium, if any), and interest, if any, on any Debt Security that is payable in a Currency other than U.S. dollars that ceases to be used by its government of issuance shall be made in U.S. dollars. (Section 312)

Payment of Principal and Interest and Paying Agents

Unless otherwise specified in Section 301 of the trust indenture, principal (premium, if any) and interest, if any, on Debt Securities will be payable at an office or agency maintained by our company in New York, New York, except that at our option, interest, if any, may be paid by:

- check mailed to the address of the Person entitled thereto as such address shall appear in the Security Register, or
- wire transfer to an account located in the United States or Canada maintained by the person entitled thereto as specified in the Security Register. (Sections 307, 1001 and 1002)

Payment of any installment of interest on Debt Securities will be made to the Person in whose name such Debt Security is registered at the close of business on the Regular Record Date for such interest. (Section 307)

Any Paying Agent outside the United States and any other Paying Agent in the United States initially designated by our company for the Debt Securities may be established for each series of Debt Securities. We may at any time designate additional Paying Agents or rescind the designation of any Paying Agent or approve a change in the office through which any Paying Agent acts, except that we will be required to maintain a Paying Agent in each Place of Payment for such series. (Section 1002)

Resignation of Trustee

The Trustee may resign or be removed with respect to one or more series of Debt Securities and a successor Trustee may be appointed to act with respect to such series. (Section 608) In the event that two or more persons are acting as Trustee with respect to different series of Debt Securities, each such Trustee shall be a Trustee of a trust under the trust indenture separate and apart from the trust administered by any other such Trustee (Section 609), and any action described herein to be taken by the "Trustee" may then be taken by each such Trustee with respect to, and only with respect to, the one or more series of Debt Securities for which it is Trustee.

Book-Entry Debt Securities

The Debt Securities of a series may be issued in whole or in part in the form of one or more Global Securities that will be deposited with, or on behalf of, a depository for a series of Debt Securities. Global Securities may be issued in either temporary or permanent form. Unless otherwise provided for a series of Debt Securities, Debt Securities that are represented by a Global Security will be issued in denominations of US\$1,000 and any integral multiple thereof or in such other denominations as may be provided for by the terms of the Debt Securities of any particular series, and will be issued in registered form only, without coupons. Payments of principal of (premium, if any) and interest on Debt Securities represented by a Global Security will be made by the Trustee to the depository or its nominee.

Governing Law

The trust indenture and the Debt Securities will be governed by, and construed in accordance with, the laws of the State of New York. The trust indenture is subject to the provisions of the Trust Indenture Legislation and shall, to the extent applicable, be governed by such provisions. (Section 111)

Enforceability of Civil Liabilities

We are a corporation incorporated under and governed by the *Business Corporations Act* (Ontario). Our controlling shareholder and some of our directors and officers, as well as certain of the experts named in this prospectus and the documents incorporated by reference into this prospectus, are residents of Canada and all or a substantial portion of their assets and a substantial portion of our assets are located outside of the United States. The trust indenture, as currently amended and supplemented, provides that we have designated our subsidiary, Thomson Holdings Inc., Metro Center, One Station Place, Stamford, Connecticut 06902, as our authorized agent for service of process in any suit, action or proceeding arising out of or relating to the trust indenture and the Debt Securities that may be instituted in any federal or state court located in the Borough of Manhattan, in The City of New York, or

brought under United States federal or state securities laws or brought by the Trustee, and we have irrevocably submitted to the jurisdiction of such courts. (Section 113). However, it may be difficult for holders of Debt Securities to effect service within the United States upon our directors, controlling shareholder and officers and the experts named in this prospectus and any documents incorporated by reference into this prospectus who are not residents of the United States or to enforce against them in the United States judgments of courts of the United States predicated upon civil liability under United States federal securities laws. We believe that a monetary judgment of a United States court predicated solely upon civil liability under United States federal securities laws would likely be enforceable in Canada if the United States court in which the judgment was obtained had a basis for jurisdiction in the matter that was recognized by a Canadian court for such purposes. We cannot assure you that this will be the case. It is less certain that an action could be brought in Canada in the first instance on the basis of liability predicated solely upon such laws.

Definitions

Set forth below is a summary of certain of the defined terms used in the trust indenture. Reference is made to the trust indenture for the full definition of all such terms, as well as any other terms used herein for which no definition is provided. (Section 101)

"GAAP" means generally accepted accounting principles which are in effect from time to time in Canada (or, if we hereafter determine to prepare our principal consolidated financial statements in accordance with generally accepted accounting principles which are in effect from time to time in the United States, such principles).

"Guarantee" means any guarantee, indemnity or similar obligation.

"Material Subsidiary" means any Subsidiary of our company the sales of which for the 12 months ending at the end of the most recently completed fiscal year of such Subsidiary represent 5% or more of the sales of our company and its consolidated Subsidiaries taken as a whole for the 12 months ending at the end of the most recently completed fiscal year of our company, or the gross assets of which as at the end of the most recently completed fiscal year of such Subsidiary represent 5% or more of the gross assets of our company and its consolidated Subsidiaries taken as a whole as at the end of the most recently completed fiscal year of our company, calculated in each case in accordance with GAAP.

trust indentures to the extent that such provisions are at such time in force and applicable to the trust indenture, and at the date of the trust indenture means (i) in respect of Debt Securities offered solely in Canada and not concurrently in the United States, the applicable provisions of the *Business Corporations Act* (Ontario) and the regulations thereunder as amended or re-enacted from time to time, and (ii) in respect of Debt Securities offered solely in the United States and not concurrently in Canada or offered concurrently in the United States and Canada, the Trust Indenture Act and regulations thereunder.

“*Voting Stock*” means stock of the class or classes having general voting power under ordinary circumstances to elect at least a majority of the board of directors, managers or trustees of a corporation (irrespective of whether or not at the time stock of any other class or classes shall have or might have voting power by reason of the happening of any contingency). (Section 101)

PLAN OF DISTRIBUTION

We may sell the Debt Securities:

- through underwriters or dealers;
- directly to one or more purchasers; or
- through agents.

We may sell Debt Securities at fixed prices or at non-fixed prices, such as prices determined by reference to the prevailing price of the specified securities in a specified market, at market prices prevailing at the time of sale or at prices to be negotiated with purchasers, which prices may vary as between purchasers and during the period of distribution of the securities. The applicable prospectus supplement will set forth the terms of the offering of the Debt Securities, including the name or names of any underwriters, the purchase price of such Debt Securities and the proceeds to our company from such sale, any underwriting discounts and other items constituting underwriters' compensation, any public offering price and any discounts or concessions allowed or reallocated or paid to dealers. Only underwriters so named in the prospectus supplement are deemed to be underwriters in connection with the Debt Securities offered thereby.

If underwriters are used in the sale, the Debt Securities may be acquired by the underwriters for their own account and may be resold from time to time in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale. The obligations of the underwriters to purchase such Debt Securities will be subject to certain conditions precedent, and the underwriters will be obligated to purchase all the Debt Securities of the series offered through the applicable prospectus supplement if any of such Debt Securities are purchased. Any public offering price and any discounts or concessions allowed or reallocated or paid to dealers may be changed from time to time.

We may also sell Debt Securities directly at such prices and upon such terms as agreed to by our company and the purchaser or through agents designated by our company from time to time. Any agent involved in the offering and sale of the Debt Securities in respect of which this prospectus is delivered will be named, and any commissions payable by our company to such agent will be set forth, in the prospectus supplement. Unless otherwise indicated in the prospectus supplement, any agent is acting on a best efforts basis for the period of its appointment.

We may agree to pay the underwriters a commission for various services relating to the issue and sale of the Debt Securities offered hereby.

In connection with any offering of the Debt Securities, the underwriters or agents may over-allot or effect transactions which stabilize or maintain the market price of the Debt Securities offered at a level above that which might otherwise prevail in the open market. These transactions, if commenced, may be discontinued at any time. Underwriters, dealers and agents who participate in the distribution of the Debt Securities may be entitled under agreements to be entered into with our company to indemnification by our company against certain liabilities, including liabilities under securities legislation, or to contribution with respect to payments which such underwriters, dealers or agents may be required to make in respect thereof. These underwriters, dealers and agents may be customers of, engage in transactions with or perform services for our company in the ordinary course of business.

Each series of the Debt Securities will be a new issue of securities with no established trading market. Unless otherwise specified in an applicable prospectus supplement relating to a series of Debt Securities, the Debt Securities will not be listed on any securities or stock exchange or on any automated dealer quotation system. Some broker-dealers may make a market in the Debt Securities, but they will not be obligated to do so and may discontinue any market-making activities at any time without notice. There may not be a trading market for the Debt Securities. See "Risk Factors."

CERTAIN INCOME TAX CONSIDERATIONS

The applicable prospectus supplement will describe the material Canadian federal income tax consequences to an investor who is not a resident of Canada (for purposes of the *Income Tax Act* (Canada)) of acquiring Debt Securities, including whether payment of principal, premium, if any, and interest will be subject to Canadian non-resident withholding tax.

A prospectus supplement will also describe any material U.S. federal income tax consequences of the acquisition, ownership and disposition of Debt Securities by an initial investor who is a U.S. person (within the meaning of the U.S. Internal Revenue Code), including any such consequences relating to Debt Securities payable in a currency other than U.S. dollars, issued at an original issue discount for U.S. federal income tax purposes or containing any early redemption provisions or other special terms.

LEGAL MATTERS

Unless otherwise specified in a prospectus supplement, certain legal matters relating to the Debt Securities offered by this prospectus will be passed upon on behalf of our company by Torys LLP. As of November 14, 2007, the partners and associates of Torys LLP beneficially owned, directly or indirectly, less than 1% of our outstanding common shares. PART II

INFORMATION NOT REQUIRED TO BE DELIVERED TO OFFEREES OR PURCHASERS

Indemnification of Directors and Officers

Under the Business Corporations Act (Ontario), The Thomson Corporation (the "Company") may indemnify a director or officer of the Company, a former director or officer of the Company or another individual who acts or acted at the Company's request as a director or officer, or an individual acting in a similar capacity, of another entity, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by the individual in respect of any civil, criminal, administrative, investigative or other proceeding in which the individual is involved because of that association with the Company or other entity provided that the individual acted honestly and in good faith with a view to the best interests of the Company or, as the case may be, to the best interests of the other entity for which the individual acted as a director or officer or in a similar capacity at the Company's request and, in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, the individual had reasonable grounds for believing that the individual's conduct was lawful. Such indemnification may be made in connection with an action by or on behalf of the Company or such other entity to obtain a judgment in its favor only with court approval. An individual is entitled to indemnification from the Company as a matter of right if the individual was not judged by a court or other competent authority to have committed any fault or omitted to do anything that the individual ought to have done and the individual fulfilled the conditions set forth above.

The by-laws of the Company provide that the Company shall indemnify a director or officer, a former director or officer or a person who acts or acted at the Company's request as a director or officer of a body corporate of which the Company is or was a shareholder or creditor, and the heirs and legal representatives of such a person against all costs, charges, expenses and liabilities incurred while carrying out such acts, except as prohibited by law.

The by-laws of the Company further provide that the Company may, to the extent permitted by the Business Corporations Act (Ontario), purchase and maintain insurance for the benefit of any director or officer, a former director or officer or a person who acts or acted at the Company's request as a director or officer of a body corporate of which the Company is or was a shareholder or creditor.

A contractual indemnity is provided by The Woodbridge Company Limited, the Company's principal shareholder, which indemnifies, subject to certain exclusions, directors and officers of the Company for up to \$100 million of losses as a result of claims against them in their capacity as directors and officers and also reimburses the Company for payments made pursuant to the indemnity provided by the Company pursuant to the Business Corporations Act (Ontario) and the by-laws of the Company.

In addition, the Company has entered into agreements with each of its directors which indemnify them to the maximum extent permitted by law.

Insofar as indemnification for liabilities under the Securities Act may be permitted to directors, officers or persons controlling the Company pursuant to the foregoing provisions, the Company has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

Young, all being persons of full age and citizens of the United States, and a majority of us being residents of the State of New York, desiring to form a corporation to be known as a Trust Company, do hereby associate ourselves together for that purpose under and pursuant to the laws of the State of New York, and for such purpose we do hereby, under our respective hands and seals, execute and duly acknowledge this Organization Certificate in duplicate, and hereby specifically state as follows, to wit:

I. The name by which the said corporation shall be known is Bankers Trust Company.

II. The place where its business is to be transacted is the City of New York, in the State of New York.

III. Capital Stock: The amount of capital stock which the corporation is hereafter to have is Three Billion One Million, Six Hundred Sixty-Six Thousand, Six Hundred Seventy Dollars (\$3,001,666,670), divided into Two Hundred Million, One Hundred Sixty-Six Thousand, Six Hundred Sixty-Seven (200,166,667) shares with a par value of \$10 each designated as Common Stock and 1,000 shares with a par value of One Million Dollars (\$1,000,000) each designated as Series Preferred Stock.

(a) *Common Stock*

1. Dividends: Subject to all of the rights of the Series Preferred Stock, dividends may be declared and paid or set apart for payment upon the Common Stock out of any assets or funds of the corporation legally available for the payment of dividends.

2. Voting Rights: Except as otherwise expressly provided with respect to the Series Preferred Stock or with respect to any series of the Series Preferred Stock, the Common Stock shall have the exclusive right to vote for the election of directors and for all other purposes, each holder of the Common Stock being entitled to one vote for each share thereof held.

3. Liquidation: Upon any liquidation, dissolution or winding up of the corporation, whether voluntary or involuntary, and after the holders of the Series Preferred Stock of each series shall have been paid in full the amounts to which they respectively shall be entitled, or a sum sufficient for the payment in full set aside, the remaining net assets of the corporation shall be distributed pro rata to the holders of the Common Stock in accordance with their respective rights and interests, to the exclusion of the holders of the Series Preferred Stock.

4. Preemptive Rights: No holder of Common Stock of the corporation shall be entitled, as such, as a matter of right, to subscribe for or purchase any part of any new or additional issue of stock of any class or series whatsoever, any rights or options to purchase stock of any class or series whatsoever, or any securities convertible into, exchangeable for or carrying rights or options to purchase stock of any class or series whatsoever, whether now or hereafter authorized, and whether issued for cash or other consideration, or by way of dividend or other distribution.

(b) *Series Preferred Stock*

1. Board Authority: The Series Preferred Stock may be issued from time to time by the Board of Directors as herein provided in one or more series. The designations, relative rights, preferences and limitations of the Series Preferred Stock, and particularly of the shares of each series thereof, may, to the extent permitted by law, be similar to or may differ from those of any other series. The Board of Directors of the corporation is hereby expressly granted authority, subject to the provisions of this Article III, to issue from time to time Series Preferred Stock in one or more series and to fix from time to time before issuance thereof, by filing a certificate pursuant to the Banking Law, the number of shares in each such series of such class and all designations, relative rights (including the right, to the extent permitted by law, to convert into shares of any class or into shares of any series of any class), preferences and limitations of the shares in each such series, including, but without limiting the generality of the foregoing, the following:

- (i) The number of shares to constitute such series (which number may at any time, or from time to time, be increased or decreased by the Board of Directors, notwithstanding that shares of the series may be outstanding at the time of such increase or decrease, unless the Board of Directors shall have otherwise provided in creating such series) and the distinctive designation thereof;
 - (ii) The dividend rate on the shares of such series, whether or not dividends on the shares of such series shall be cumulative, and the date or dates, if any, from which dividends thereon shall be cumulative;
 - (iii) Whether or not the share of such series shall be redeemable, and, if redeemable, the date or dates upon or after which they shall be redeemable, the amount or amounts per share (which shall be, in the case of each share, not less than its preference upon involuntary liquidation, plus an amount equal to all dividends thereon accrued and unpaid, whether or not earned or declared) payable thereon in the case of the redemption thereof, which amount may vary at different redemption dates or otherwise as permitted by law;
 - (iv) The right, if any, of holders of shares of such series to convert the same into, or exchange the same for, Common Stock or other stock as permitted by law, and the terms and conditions of such conversion or exchange, as well as provisions for adjustment of the conversion rate in such events as the Board of Directors shall determine;
 - (v) The amount per share payable on the shares of such series upon the voluntary and involuntary liquidation, dissolution or winding up of the corporation;
 - (vi) Whether the holders of shares of such series shall have voting power, full or limited, in addition to the voting powers provided by law and, in case additional voting powers are accorded, to fix the extent thereof; and
 - (vii) Generally to fix the other rights and privileges and any qualifications, limitations or restrictions of such rights and privileges of such series, provided, however, that no such rights, privileges, qualifications, limitations or restrictions shall be in conflict with the organization certificate of the
-

corporation or with the resolution or resolutions adopted by the Board of Directors providing for the issue of any series of which there are shares outstanding.

All shares of Series Preferred Stock of the same series shall be identical in all respects, except that shares of any one series issued at different times may differ as to dates, if any, from which dividends thereon may accumulate. All shares of Series Preferred Stock of all series shall be of equal rank and shall be identical in all respects except that to the extent not otherwise limited in this Article III any series may differ from any other series with respect to any one or more of the designations, relative rights, preferences and limitations described or referred to in subparagraphs (I) to (vii) inclusive above.

2. Dividends: Dividends on the outstanding Series Preferred Stock of each series shall be declared and paid or set apart for payment before any dividends shall be declared and paid or set apart for payment on the Common Stock with respect to the same quarterly dividend period. Dividends on any shares of Series Preferred Stock shall be cumulative only if and to the extent set forth in a certificate filed pursuant to law. After dividends on all shares of Series Preferred Stock (including cumulative dividends if and to the extent any such shares shall be entitled thereto) shall have been declared and paid or set apart for payment with respect to any quarterly dividend period, then and not otherwise so long as any shares of Series Preferred Stock shall remain outstanding, dividends may be declared and paid or set apart for payment with respect to the same quarterly dividend period on the Common Stock out the assets or funds of the corporation legally available therefor.

All Shares of Series Preferred Stock of all series shall be of equal rank, preference and priority as to dividends irrespective of whether or not the rates of dividends to which the same shall be entitled shall be the same and when the stated dividends are not paid in full, the shares of all series of the Series Preferred Stock shall share ratably in the payment thereof in accordance with the sums which would be payable on such shares if all dividends were paid in full, provided, however, that any two or more series of the Series Preferred Stock may differ from each other as to the existence and extent of the right to cumulative dividends, as aforesaid.

3. Voting Rights: Except as otherwise specifically provided in the certificate filed pursuant to law with respect to any series of the Series Preferred Stock, or as otherwise provided by law, the Series Preferred Stock shall not have any right to vote for the election of directors or for any other purpose and the Common Stock shall have the exclusive right to vote for the election of directors and for all other purposes.

4. Liquidation: In the event of any liquidation, dissolution or winding up of the corporation, whether voluntary or involuntary, each series of Series Preferred Stock shall have preference and priority over the Common Stock for payment of the amount to which each outstanding series of Series Preferred Stock shall be entitled in accordance with the provisions thereof and each holder of Series Preferred Stock shall be entitled to be paid in full such amount, or have a sum sufficient for the payment in full set aside, before any payments shall be made to the holders of the Common Stock. If, upon liquidation, dissolution or winding up of the corporation, the assets of the corporation or proceeds thereof, distributable among the holders of the shares of all series of the Series Preferred Stock shall be insufficient to pay in full the preferential amount aforesaid, then such assets, or the proceeds thereof, shall be distributed among such holders ratably in accordance with the respective amounts which would be payable if all amounts payable thereon were paid in full. After the payment to the holders of Series Preferred Stock of all such amounts to which they are entitled, as above provided, the remaining assets and funds of the corporation shall be divided and paid to the holders of the Common Stock.

5. Redemption: In the event that the Series Preferred Stock of any series shall be made redeemable as provided in clause (iii) of paragraph 1 of section (b) of this Article III, the corporation, at the option of the Board of Directors, may redeem at any time or times, and from time to time, all or any part of any one or more series of Series Preferred Stock outstanding by paying for each share the then applicable redemption price fixed by the Board of Directors as provided herein, plus an amount equal to accrued and unpaid dividends to the date fixed for redemption, upon such notice and terms as may be specifically provided in the certificate filed pursuant to law with respect to the series.

6. Preemptive Rights: No holder of Series Preferred Stock of the corporation shall be entitled, as such, as a matter of right, to subscribe for or purchase any part of any new or additional issue of stock of any class or series whatsoever, any rights or options to purchase stock of any class or series whatsoever, or any securities convertible into, exchangeable for or carrying rights or options to purchase stock of any class or series whatsoever, whether now or hereafter authorized, and whether issued for cash or other consideration, or by way of dividend.

(c) *Provisions relating to Floating Rate Non-Cumulative Preferred Stock, Series A. (Liquidation value \$1,000,000 per share.)*

1. Designation: The distinctive designation of the series established hereby shall be "Floating Rate Non-Cumulative Preferred Stock, Series A" (hereinafter called "Series A Preferred Stock").

2. Number: The number of shares of Series A Preferred Stock shall initially be 250 shares. Shares of Series A Preferred Stock redeemed, purchased or otherwise acquired by the corporation shall be cancelled and shall revert to authorized but unissued Series Preferred Stock undesignated as to series.

3. Dividends:

(a) Dividend Payments Dates. Holders of the Series A Preferred Stock shall be entitled to receive non-cumulative cash dividends when, as and if declared by the Board of Directors of the corporation, out of funds legally available therefor, from the date of original issuance of such shares (the "Issue Date") and such dividends will be payable on March 28, June 28, September 28 and December 28 of each year ("Dividend Payment Date") commencing September 28, 1990, at a rate per annum as determined in paragraph 3(b) below. The period beginning on the Issue Date and ending on the day preceding the first Dividend Payment Date and each successive period beginning on a Dividend Payment Date and ending on the date preceding the next succeeding Dividend Payment Date is herein called a "Dividend Period". If any Dividend Payment Date shall be, in The City of New York, a Sunday or a legal holiday or a day on which banking institutions are authorized by law to close, then payment will be postponed to the next succeeding business day with the same force and effect as if made on the Dividend Payment Date, and no interest shall accrue for such Dividend Period after such Dividend Payment Date.

(b) Dividend Rate. The dividend rate from time to time payable in respect of Series A Preferred Stock (the "Dividend Rate") shall be determined on the basis of the following provisions:

(i) On the Dividend Determination Date, LIBOR will be determined on the basis of the offered rates for deposits in U.S. dollars having a maturity of three months commencing on the second London Business Day immediately following such Dividend Determination Date, as such rates appear on the Reuters Screen LIBO Page as of 11:00 A.M. London time, on such Dividend Determination Date. If at least two such offered rates appear on the Reuters Screen LIBO Page, LIBOR in respect of such Dividend Determination Dates will be the arithmetic mean (rounded to the nearest one-hundredth of a percent, with five one-thousandths of a percent rounded upwards) of such offered rates. If fewer than those offered rates appear, LIBOR in respect of such Dividend Determination Date will be determined as described in paragraph (ii) below.

(ii) On any Dividend Determination Date on which fewer than those offered rates for the applicable maturity appear on the Reuters Screen LIBO Page as specified in paragraph (i) above, LIBOR will be determined on the basis of the rates at which deposits in U.S. dollars having a maturity of three months commencing on the second London Business Day immediately following such Dividend Determination Date and in a principal amount of not less than \$1,000,000 that is representative of a single transaction in such market at such time are offered by three major banks in the London interbank market selected by the corporation at approximately 11:00 A.M., London time, on such Dividend Determination Date to prime banks in the London market. The corporation will request the principal London office of each of such banks to provide a quotation of its rate. If at least two such quotations are provided, LIBOR in respect of such Dividend Determination Date will be the arithmetic mean (rounded to the nearest one-hundredth of a percent, with five one-thousandths of a percent rounded upwards) of such quotations. If fewer than two quotations are provided, LIBOR in respect of such Dividend Determination Date will be the arithmetic mean (rounded to the nearest one-hundredth of a percent, with five one-thousandths of a percent rounded upwards) of the rates quoted by three major banks in New York City selected by the corporation at approximately 11:00 A.M., New York City time, on such Dividend Determination Date for loans in U.S. dollars to leading European banks having a maturity of three months commencing on the second London Business Day immediately following such Dividend Determination Date and in a principal amount of not less than \$1,000,000 that is representative of a single transaction in such market at such time; provided, however, that if the banks selected as aforesaid by the corporation are not quoting as aforementioned in this sentence, then, with respect to such Dividend Period, LIBOR for the preceding Dividend Period will be continued as LIBOR for such Dividend Period.

(ii) The Dividend Rate for any Dividend Period shall be equal to the lower of 18% or 50 basis points above LIBOR for such Dividend Period as LIBOR is determined by sections (i) or (ii) above.

As used above, the term "Dividend Determination Date" shall mean, with respect to any Dividend Period, the second London Business Day prior to the commencement of such Dividend Period; and the term "London Business Day" shall mean any day that is not a Saturday or Sunday and that, in New York City, is not a day on which banking institutions generally are authorized or required by law or executive order to close and that is a day on which dealings in deposits in U.S. dollars are transacted in the London interbank market.

4. Voting Rights: The holders of the Series A Preferred Stock shall have the voting power and rights set forth in this paragraph 4 and shall have no other voting power or rights except as otherwise may from time to time be required by law.

So long as any shares of Series A Preferred Stock remain outstanding, the corporation shall not, without the affirmative vote or consent of the holders of at least a majority of the votes of the Series Preferred Stock entitled to vote outstanding at the time, given in person or by proxy, either in writing or by resolution adopted at a meeting at which the holders of Series A Preferred Stock (alone or together with the holders of one or more other series of Series Preferred Stock at the time outstanding and entitled to vote) vote separately as a class, alter the provisions of the Series Preferred Stock so as to materially adversely affect its rights; provided, however, that in the event any such materially adverse alteration affects the rights of only the Series A Preferred Stock, then the alteration may be effected with the vote or consent of at least a majority of the votes of the Series A Preferred Stock; provided, further, that an increase in the amount of the authorized Series Preferred Stock and/or the creation and/or issuance of other series of Series Preferred Stock in accordance with the organization certificate shall not be, nor be deemed to be, materially adverse alterations. In connection with the exercise of the voting rights contained in the preceding sentence, holders of all series of Series Preferred Stock which are granted such voting rights (of which the Series A Preferred Stock is the initial series) shall vote as a class (except as specifically provided otherwise) and each holder of Series A Preferred Stock shall have one vote for each share of stock held and each other series shall have such number of votes, if any, for each share of stock held as may be granted to them.

The foregoing voting provisions will not apply if, in connection with the matters specified, provision is made for the redemption or retirement of all outstanding Series A Preferred Stock.

5. Liquidation: Subject to the provisions of section (b) of this Article III, upon any liquidation, dissolution or winding up of the corporation, whether voluntary or involuntary, the holders of the Series A Preferred Stock shall have preference and priority over the Common Stock for payment out of the assets of the corporation or proceeds thereof, whether from capital or surplus, of \$1,000,000 per share (the "liquidation value") together with the amount of all dividends accrued and unpaid thereon, and after such payment the holders of Series A Preferred Stock shall be entitled to no other payments.

6. Redemption: Subject to the provisions of section (b) of this Article III, Series A Preferred Stock may be redeemed, at the option of the corporation in whole or part, at any time or from time to time at a redemption price of \$1,000,000 per share, in each case plus accrued and unpaid dividends to the date of redemption.

At the option of the corporation, shares of Series A Preferred Stock redeemed or otherwise acquired may be restored to the status of authorized but unissued shares of Series Preferred Stock.

In the case of any redemption, the corporation shall give notice of such redemption to the holders of the Series A Preferred Stock to be redeemed in the following manner: a notice specifying the shares to be redeemed and the time and place of redemption (and, if less than the total outstanding shares are to be redeemed, specifying the certificate numbers and number of shares to be redeemed) shall be mailed by first class mail, addressed to the holders of record of the Series A Preferred Stock to be redeemed at their respective addresses as the same shall appear upon the books of the corporation, not more than sixty (60) days and not less than thirty (30) days previous to the date fixed for redemption. In the event such notice is not given to any shareholder such failure to give notice shall not affect the notice given to other shareholders. If less than the whole amount of outstanding Series A Preferred Stock is to be redeemed, the shares to be redeemed shall be selected by lot or pro rata in any manner determined by resolution of the Board of Directors to be fair and proper. From and after the date fixed in any such notice as the date of redemption (unless default shall be made by the corporation in providing moneys at the time and place of redemption for the payment of the redemption price) all dividends upon the Series A Preferred Stock so called for redemption shall cease to accrue, and all rights of the holders of said Series A Preferred Stock as stockholders in the corporation, except the right to receive the redemption price (without interest) upon surrender of the certificate representing the Series A Preferred Stock so called for redemption, duly endorsed for transfer, if required, shall cease and terminate. The corporation's obligation to provide moneys in accordance with the

preceding sentence shall be deemed fulfilled if, on or before the redemption date, the corporation shall deposit with a bank or trust company (which may be an affiliate of the corporation) having an office in the Borough of Manhattan, City of New York, having a capital and surplus of at least \$5,000,000 funds necessary for such redemption, in trust with irrevocable instructions that such funds be applied to the redemption of the shares of Series A Preferred Stock so called for redemption. Any interest accrued on such funds shall be paid to the corporation from time to time. Any funds so deposited and unclaimed at the end of two (2) years from such redemption date shall be released or repaid to the corporation, after which the holders of such shares of Series A Preferred Stock so called for redemption shall look only to the corporation for payment of the redemption price.

ARTICLE I

MEETINGS OF STOCKHOLDERS

SECTION 1. The annual meeting of the stockholders of this Company shall be held at the office of the Company in the Borough of Manhattan, City of New York, in January of each year, for the election of directors and such other business as may properly come before said meeting.

SECTION 2. Special meetings of stockholders other than those regulated by statute may be called at any time by a majority of the directors. It shall be the duty of the Chairman of the Board, the Chief Executive Officer, the President or any Co-President to call such meetings whenever requested in writing to do so by stockholders owning a majority of the capital stock.

SECTION 3. At all meetings of stockholders, there shall be present, either in person or by proxy, stockholders owning a majority of the capital stock of the Company, in order to constitute a quorum, except at special elections of directors, as provided by law, but less than a quorum shall have power to adjourn any meeting.

SECTION 4. The Chairman of the Board or, in his absence, the Chief Executive Officer or, in his absence, the President or any Co-President or, in their absence, the senior officer present, shall preside at meetings of the stockholders and shall direct the proceedings and the order of business. The Secretary shall act as secretary of such meetings and record the proceedings.

ARTICLE II

DIRECTORS

SECTION 1. The affairs of the Company shall be managed and its corporate powers exercised by a Board of Directors consisting of such number of directors, but not less than seven nor more than fifteen, as may from time to time be fixed by resolution adopted by a majority of the directors then in office, or by the stockholders. In the event of any increase in the number of directors, additional directors may be elected within the limitations so fixed, either by the stockholders or within the limitations imposed by law, by a majority of directors then in office. One-third of the number of directors, as fixed from time to time, shall constitute a quorum. Any one or more members of the Board of Directors or any Committee thereof may participate in a meeting of the Board of Directors or Committee thereof by means of a conference telephone, video conference or similar communications equipment which allows all persons participating in the meeting to hear each other at the same time. Participation by such means shall constitute presence in person at such a meeting.

All directors hereafter elected shall hold office until the next annual meeting of the stockholders and until their successors are elected and have qualified.

No Officer-Director who shall have attained age 65, or earlier relinquishes his responsibilities and title, shall be eligible to serve as a director.

SECTION 2. Vacancies not exceeding one-third of the whole number of the Board of Directors may be filled by the affirmative vote of a majority of the directors then in office, and the directors so elected shall hold office for the balance of the unexpired term.

SECTION 3. The Chairman of the Board shall preside at meetings of the Board of Directors. In his absence, the Chief Executive Officer or, in his absence the President or any Co-President or, in their absence such other director as the Board of Directors from time to time may designate shall preside at such meetings.

SECTION 4. The Board of Directors may adopt such Rules and Regulations for the conduct of its meetings and the management of the affairs of the Company as it may deem proper, not inconsistent with the laws of the State of New York, or these By-Laws, and all officers and employees shall strictly adhere to, and be bound by, such Rules and Regulations.

SECTION 5. Regular meetings of the Board of Directors shall be held from time to time provided, however, that the Board of Directors shall hold a regular meeting not less than six times a year, provided that during any three consecutive calendar months the Board of Directors shall meet at least once, and its Executive Committee shall not be required to meet at least once in each thirty day period during which the Board of Directors does not meet. Special meetings of the Board of Directors may be called upon at least two day's notice whenever it may be deemed proper by the Chairman of the Board or, the Chief Executive Officer or, the President or any Co-President or, in their absence, by such other director as the Board of Directors may have designated pursuant to Section 3 of this Article, and shall be called upon like notice whenever any three of the directors so request in writing.

SECTION 6. The compensation of directors as such or as members of committees shall be fixed from time to time by resolution of the Board of Directors.

ARTICLE III

COMMITTEES

Such Committee shall conduct the annual directors' examinations of the Company as required by the New York State Banking Law; shall review the reports of all examinations made of the Company by public authorities and report thereon to the Board of Directors; and shall report to the Board of Directors such other matters as it deems advisable with respect to the Company, its various departments and the conduct of its operations.

The Committee also may direct the General Auditor to make such investigation as it deems necessary or advisable with respect to the Company, its various departments and the conduct of its operations. The Committee shall hold regular quarterly meetings and during the intervals thereof shall meet at other times on call of the Chairman.

ARTICLE V

INDEMNIFICATION OF DIRECTORS, OFFICERS AND OTHERS

SECTION 1. The Company shall, to the fullest extent permitted by Section 7018 of the New York Banking Law, indemnify any person who is or was made, or threatened to be made, a party to an action or proceeding, whether civil or criminal, whether involving any actual or alleged breach of duty, neglect or error, any accountability, or any actual or alleged misstatement, misleading statement or other act or omission and whether brought or threatened in any court or administrative or legislative body or agency, including an action by or in the right of the Company to procure a judgment in its favor and an action by or in the right of any other corporation of any type or kind, domestic or foreign, or any partnership, joint venture, trust, employee benefit plan or other enterprise, which any director or officer of the Company is servicing or served in any capacity at the request of the Company by reason of the fact that he, his testator or intestate, is or was a director or officer of the Company, or is serving or served such other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise in any capacity, against judgments, fines, amounts paid in settlement, and costs, charges and expenses, including attorneys' fees, or any appeal therein; provided, however, that no indemnification shall be provided to any such person if a judgment or other final adjudication adverse to the director or officer establishes that (i) his acts were committed in bad faith or were the result of active and deliberate dishonesty and, in either case, were material to the cause of action so adjudicated, or (ii) he personally gained in fact a financial profit or other advantage to which he was not legally entitled.

SECTION 2. The Company may indemnify any other person to whom the Company is permitted to provide indemnification or the advancement of expenses by applicable law, whether pursuant to

rights granted pursuant to, or provided by, the New York Banking Law or other rights created by (i) a resolution of stockholders, (ii) a resolution of directors, or (iii) an agreement providing for such indemnification, it being expressly intended that these By-Laws authorize the creation of other rights in any such manner.

SECTION 3. The Company shall, from time to time, reimburse or advance to any person referred to in Section 1 the funds necessary for payment of expenses, including attorneys' fees, incurred in connection with any action or proceeding referred to in Section 1, upon receipt of a written undertaking by or on behalf of such person to repay such amount(s) if a judgment or other final adjudication adverse to the director or officer establishes that (i) his acts were committed in bad faith or were the result of active and deliberate dishonesty and, in either case, were material to the cause of action so adjudicated, or (ii) he personally gained in fact a financial profit or other advantage to which he was not legally entitled.

SECTION 4. Any director or officer of the Company serving (i) another corporation, of which a majority of the shares entitled to vote in the election of its directors is held by the Company, or (ii) any employee benefit plan of the Company or any corporation referred to in clause (i) in any capacity shall be deemed to be doing so at the request of the Company. In all other cases, the provisions of this Article V will apply (i) only if the person serving another corporation or any partnership, joint venture, trust, employee benefit plan or other enterprise so served at the specific request of the Company, evidenced by a written communication signed by the Chairman of the Board, the Chief Executive Officer, the President or any Co-President, and (ii) only if and to the extent that, after making such efforts as the Chairman of the Board, the Chief Executive Officer, the President or any Co-President shall deem adequate in the circumstances, such person shall be unable to obtain indemnification from such other enterprise or its insurer.

SECTION 5. Any person entitled to be indemnified or to the reimbursement or advancement of expenses as a matter of right pursuant to this Article V may elect to have the right to indemnification (or advancement of expenses) interpreted on the basis of the applicable law in effect at the time of occurrence of the event or events giving rise to the action or proceeding, to the extent permitted by law, or on the basis of the applicable law in effect at the time indemnification is sought.

SECTION 6. The right to be indemnified or to the reimbursement or advancement of expense pursuant to this Article V (i) is a contract right pursuant to which the person entitled thereto may bring suit as if the provisions hereof were set forth in a separate written contract between the Company and the director or officer, (ii) is intended to be retroactive and shall be available with respect to events occurring prior to the adoption hereof, and (iii) shall continue to exist after the rescission or restrictive modification hereof with respect to events occurring prior thereto.

SECTION 7. If a request to be indemnified or for the reimbursement or advancement of expenses pursuant hereto is not paid in full by the Company within thirty days after a written claim has been received by the Company, the claimant may at any time thereafter bring suit against the Company to recover the unpaid amount of the claim and, if successful in whole or in part, the claimant shall be entitled also to be paid the expenses of prosecuting such claim. Neither the failure of the Company (including its Board of Directors, independent legal counsel, or its stockholders) to have made a determination prior to the commencement of such action that indemnification of or reimbursement or advancement of expenses to the claimant is proper in the

circumstance, nor an actual determination by the Company (including its Board of Directors, independent legal counsel, or its stockholders) that the claimant is not entitled to indemnification or to the reimbursement or advancement of expenses, shall be a defense to the action or create a presumption that the claimant is not so entitled.

SECTION 8. A person who has been successful, on the merits or otherwise, in the defense of a civil or criminal action or proceeding of the character described in Section 1 shall be entitled to indemnification only as provided in Sections 1 and 3, notwithstanding any provision of the New York Banking Law to the contrary.

ARTICLE VI

SECTION 1. The Board of Directors shall provide a seal for the Company, the counterpart dies of which shall be in the charge of the Secretary of the Company and such officers as the Chairman of the Board, the Chief Executive Officer or the Secretary may from time to time direct in writing, to be affixed to certificates of stock and other documents in accordance with the directions of the Board of Directors or the Executive Committee.

SECTION 2. The Board of Directors may provide, in proper cases on a specified occasion and for a specified transaction or transactions, for the use of a printed or engraved facsimile seal of the Company.

ARTICLE VII

CAPITAL STOCK

SECTION 1. Registration of transfer of shares shall only be made upon the books of the Company by the registered holder in person, or by power of attorney, duly executed, witnessed and filed with the Secretary or other proper officer of the Company, on the surrender of the certificate or certificates of such shares properly assigned for transfer.

ARTICLE VIII

SECTION 1. The masculine gender, when appearing in these By-Laws, shall be deemed to include the feminine gender.

ARTICLE IX

AMENDMENTS

SECTION 1. These By-Laws may be altered, amended or added to by the Board of Directors at any meeting, or by the stockholders at any annual or special meeting, provided notice thereof has been given.
